

PROTECT YOURSELF FROM COVID-19

BEFORE LEAVING HOME FOR WORK:

1. Wear full sleeve/
full-length clothes.

2. Cover wounds
with water-proof
band-aid.

3. Carry the
emergency pass
issued by ULB.

4. Carry water
and soap
to wash hands.

5. Wear gloves, mask
/cloth and apron.

6. Carry extra
set of clothes.

WHEN YOU REACH THE WORKPLACE:

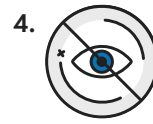

1. Wash hands
with soap for
20 seconds.

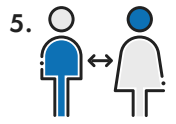

2. Avoid touching
unnecessary objects,
only your PPE's,
cart and broom.

3. Wear gloves,
mask/cloth,
apron and boots.

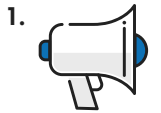

4. Avoid touching
face, nose,
mouth and eyes.

5. Maintain safe
distance while
traveling together
to work site.

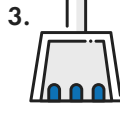

STEPS TO FOLLOW WHEN YOU START YOUR WORK:

1. Blow horn to
open the gate.

2. Throw waste directly
in the vehicle/bin.

3. Use sheet/pan to
pick up littered waste.

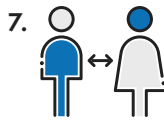

4. Wash eyes,
nose and face in
case waste touches.

5. Do not collect
waste from a
infected household
unless informed.

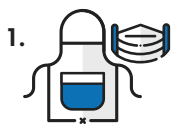

6. Do not touch
dustbin and waste
with bare hands.

7. Keep distance
of minimum 1,5m
from citizens.

WHEN RETURNING TO YOUR BASE:

1. Remove your
safety gear.

2. Wash hands and
face for 20 seconds.

3. Change clothes and
put it all in a bag.

4. Wear mask/cloth
and return to home.

5. Wash clothes
and PPE's with soap.
